Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Classification and Wage Division

DATE: 21 May 1953

FROM : Director of Training

SUBJECT: Request for Assistant Security Officer, Project [REDACTED]

25X1A6a

25X1A6a

1. The experience gained during the first year of operation at [REDACTED] indicates a desirability for an Assistant Security Officer. In addition to giving the Security Officer more time to devote to matters other than physical security, it would make it possible to furnish the necessary security coverage in the event of leave, sickness, official travel, or any unforeseen event.

2. It is requested that the following change of T/O positions be made, subject to the concurrence of the Security Office:

DELETEADD

Guard Supervisor	U826	CPC-10	Security Officer GS-11
------------------	------	--------	------------------------

3. The above change will more properly satisfy the operational requirements of the base since it has been determined that the operation of the Civilian Guard Branch does not take the full time of a Chief, Civilian Guard, as such. A Sergeant of the Guard has been appointed to supervise each shift and the overall supervision can be handled by the proposed Assistant Security Officer in addition to his other duties.
